## VERSE

**E**  
You called me, Lord  
**C#m**  
And I will bow my knees  
**A**  
I lift my voice to sing  
**B**  
That You're my King  
**C#m**  
Come rule and reign  
**E**  
And set our hearts on fire  
**A**  
Let every darkness tremble  
**B**  
Build Your Kingdom here

## CHORUS

**E**  
And we will grow from glory to glory to glory  
**C#m**  
And we will tell the world about Your story  
**A E/G#**  
And we will rise again  
**A B**  
For Your Kingdom's cause  
**E**  
And You will take us higher and higher and higher  
**C#m**  
So Jesus come and fill us with passion and power  
**A E/G#**  
So we can rise again  
**A B**  
We're Your generation Lord

## BRIDGE

**C#m E/B**  
Consume me, Anoint me  
**A**  
I know You've called me  
**B**  
To set the captives free  
**C#m E/B**  
The walls are falling, Your power releasing  
**A**  
Our chains are breaking  
**B**  
So set our hearts ablaze
