VERSE 1

Your love is patient
Your love is kind
It does not envy
It does not boast
My life is filled with
Your loving kindness
You are all I've sung above

VERSE 2

Your love's not proud
It always honors
Not self-seeking
Nor easily angered
You have shown me
What I can be
Cause You are all I've sung above

CHORUS

I am loved by my Father
I am loved by You
I don't deserve all You have given
I gain nothing without Love

VERSE 3

You always defend me
You always trust
You always believe in me
You never give up
You make right, my every wrong
You never fail me with Your love
