## VERSE

In the waiting  
In the quiet  
I will seek You  
I will trust in You

In the trials  
Through my struggles  
I will look to You  
Find my hope in Your Word

## PRE-CHORUS

For You, O Lord  
My strength and shield  
The glory who lifts up my head

## CHORUS

All the earth will praise You  
All the earth will sing  
King of glory, we welcome You in

Give me beauty for ashes  
Your joy as my strength  
I will praise, I will worship You

## BRIDGE

All the earth will sing Your praise  
And I will worship You
