## VERSE

You know me from the start, You love me  
You take me as Your own, You save me  
And now I live for You  
You're with me, all my days  
And I'll declare

## PRE-CHORUS

We're chosen, anointed  
Called out into His light  
Shine brighter, lift higher  
The name of Jesus Christ

## CHORUS

You called me out  
Out of this world  
You took me up  
Up where I belong

## BRIDGE

Holy, holy  
As You are, so are we  
Holy, holy  
Set apart, we are free

## TAG

Holy, Holy  
The name of Jesus Christ
