VERSE

Can't say enough, but let me try
To tell You how I feel (yeah yeah eh)
There's a light that burns inside my heart
Burnin' brighter brighter
Burnin' brighter brighter

Love that makes me feel alive
It's what You mean to me (yeah yeah eh)
Turn me upside down I'm dancing
Take me higher higher
Take me higher higher

PRE-CHORUS

Your love, Your love has caught me

CHORUS

I'm caught up, caught up,
Caught up in Your lovin', lovin'
Love the way You make me feel
You make me feel
I feel like I can breathe again

I'm caught up, caught up,
Caught up in Your lovin', lovin'
Love the way you make me feel
You make me feel
I feel like I can breathe

BRIDGE

So take, take, take it all
I give it to You
I give, give, give it all,
I give it to You

So take, take, take it all
I give it to You
Just give, give, gimme all
I want all of You
