VERSE 1

Once I have turned my face from Thee
Yet You sought me and You cleansed me
Made me whole again
Jesus my Savior
My Beloved and Friend
Your praises I bring
From my heart I sing

CHORUS

Draw me, O draw me away
Messiah today
To Your presence to stay
O Jesus now change me and mould me
That I can be
Evermore true to Thee

VERSE 2

You are the Shepherd of my heart
You have brought me to Your chamber
My Master and King
You light up my darkness
And gave me Your Word
That You'll never forsake me
No nor ever will leave me
