VERSE 1

You are the light in the dark
You are my strength when all the circumstances get too tough
You are the Lord above all
I'll jump so high and give a shout of praise

There's nothing I want more
Cos Jesus you are all that I adore
There's nothing I want more
Cause with you I have all
Cause with you I have everything (and more)

CHORUS

Hallelujah
My God reigns, my God reigns forever
Hallelujah
My God reigns, my God reigns forever (and more)

TAG

Lord You reign, Lord You reign forever (and more)

VERSE 2

Oh there is no other name
My God is greater than the hills and valleys that I face
You are the Lord above all
I'll jump so high and give a shout of praise
