

## VERSE

Now is the time for a movement  
All Your sons and Your daughters  
Call on the name of the Savior  
Oh the name of the Savior  
We are a new generation  
Free as a brand-new creation  
Sing as we lift up our Savior  
Lift the name of our Savior

## CHORUS

This is the sound of a new generation  
Let all our voices fill up the heavens  
Calling out to the King of all Kings  
Worship His majesty  
This is the cry of a new generation  
That we will witness the power of Jesus  
All our hearts are searching for more  
Chasing for more of You

## BRIDGE

All that You are  
Oh all that You are  
Is living in me

## TAG

All for Jesus  
We're all for Jesus  
All for Jesus  
We're all for Jesus
