## VERSE

You called me, Lord  
And I will bow my knees  
I lift my voice to sing  
That You're my King  
Come rule and reign  
And set our hearts on fire  
Let every darkness tremble  
Build Your Kingdom here

## CHORUS

And we will grow from glory to glory to glory  
And we will tell the world about Your story  
And we will rise again  
For Your Kingdom's cause  
And You will take us higher and higher and higher  
So Jesus come and fill us with passion and power  
So we can rise again  
We're Your generation Lord

## BRIDGE

Consume me  
Anoint me  
I know You've called me  
To set the captives free  
The walls are falling  
Your power releasing  
Our chains are breaking  
So set our hearts ablaze
