VERSE 1

I have read and I have sung
All the songs of Your love
and what it's done
I have prayed and I have praised
To the best that my abilities allow

PRE-CHORUS

But my God I know that I'm Your child
And all You ask of me is to believe

CHORUS

Greater are You
Over the worst of pain
Under Your loving rain
I'm restored
Now all that I am is Yours

Stronger are You
You carry me in Your embrace
Unchanging through all of my days
My reward
Is knowing that I am Yours
Lord I am Yours

VERSE 2

I have seen the things You do
In a sudden
Hardened hearts begin to move
And I know that You are good
In the thunders I am under all of You

BRIDGE

All that I am
I place in Your hand
All I desire
To live in Your plan
Let mercy surround me
And grace overwhelm me
In my weakness Lord help me to stand
