VERSE

My heart ablaze
My hands hold tight
To the One who leads
Me through the night
I know it will be alright
You've set me free
Shackles out of sight
Your Word in me
Keeps my heart alive
Your pleasure is my delight

TAG

I know that You will never let me go
I know Your love is always in control
You show me what it means to live again
I live again, my heart beats again

PRE-CHORUS

I surrender my all
Just to know You
I cast down my crowns
Just to love You

CHORUS

You make my heart beat, heart beat
I love the way You love me, love me
My heart is singing Oh oh oh oh
My heart is singing Oh oh oh oh
You make my heart beat, heart beat
You gave it all to love me, love me
My heart is singing Oh oh oh oh
My heart is singing Oh oh oh oh
