VERSE

Jesus I am Yours
You have called me as Your own
Lord You gave Your all
So I can live
To know You as I'm known

CHORUS

I draw near to You
I feel You call me deeper into Your embrace
Nothing can hold me back
All my heart and soul longs for You alone
I come just as I am
That's all You ask of me when I worship You
Jesus, I am blessed just being here with You

BRIDGE

I go deeper, I draw closer
To Your presence, to Your heart
Lord You tell me
In a gentle whisper
That You love me
We'll never be apart
