VERSE

Trouble may come for a moment
But You've set me free
Sorrow may darken the night
But Your mercy brings new light

PRE-CHORUS

Though the mountains tremble
The skies may tumble
Your hold on me remains
Though the hills may vanish
The rivers run dry
But Your love is forever the same

CHORUS

Your Word, irrevocable
Your Grace, undeniable
Your Love, unconditional
I believe, I believe

BRIDGE

I believe, I believe
I believe, in You, in You
