VERSE

Where can I go
I can never run from You
Your presence is gold
Purify my heart, Lord
I hold on to You
You're the hope of my life
How can I ever hide from You
How can I ever hide from You

CHORUS

Jesus I live to sing
Jesus I live to praise
Your precious name
Is higher than
All other names
I worship You
Bow down to You
My heart and soul cry holy are You
