VERSE

There is no other
There is no other
There is no other
Just You and me

I have You before me
I hold You within me
There is no other
Just You and me

CHORUS

And I sing my praise to You and You alone
And I bare my heart to You and You alone
There is no other
There is no other

And I bow my knees to You and You alone
And I lay my life for You and You alone
There is no other (There is no other)
Just you and me

BRIDGE

Your love
Your touch
I yearn for Your glory over me
