VERSE 1

Deep calls to deep
I hear Your voice
Drawing me to Your endless love
A love that forgives
A love that assures
That's the love of Christ for us

BRIDGE

You take me higher
Draw me deeper
Call me closer
To You Lord

PRE-CHORUS

I found my life complete
In You there's liberty
Made whole in Christ again
You took all my shame at Calvary

CHORUS

I will live for You
Live for Your glory
I will follow You
Follow You with all I am

VERSE 2

Lead me into
Your secret place
Where I'm saved by Your grace
I enter in Your holy place
Oh Lord wrap me in your embrace
