VERSE

Say that I am Yours
I long to hear You again
Place Your hand on mine
I need to feel You

Speak into my heart
And rend the heavens apart
To reveal Your love for me
Father show Your love for me

CHORUS

My Beloved
I am Yours
And You are mine
I belong to You

I am covered
By Your grace
You're my first love
All I need

BRIDGE

You are more than just
Shelter from the storm
You are all I need
The home where I belong
