VERSE

You've given me all
You washed me clean
I was unworthy
You took me in
You saw in me strength
That I couldn't see
You saw in me life
When all I knew was defeat

PRE-CHORUS

And all I can do
Is to worship You
All I can say
I choose to walk Your way
And forever till the day I see Your face
My life is Yours
My world is You

CHORUS

Wonderful Savior
You are my King
Your love overwhelms me, Your story I sing
And forever till the day I see Your face
My life is Yours
My world is You
