## VERSE

I was lost  
Hope was gone  
When all seemed dark  
My faith was born  
Oh ... I'm never far from Love  
In the flood  
I shout Your name You reach for me And  
now I walk again Oh ... I turn to You

## BRIDGE

Woah Woah  
I give You all my days  
Woah Woah  
Jesus have Your way

## PRE-CHORUS

Now I'm living for You  
My life to lift Your name

## CHORUS

Praise Your name forever  
Praise Your name forever  
All my days, I sing your praise  
In Your everlasting light

Praise Your name forever  
Praise Your name forever  
I stand amazed  
In Your love and grace  
I lift Your name up high
