## VERSE

I sing a love song to You Lord  
Every day, every night  
Tell of Your goodness and mercy  
Tell the world how You rescued me  
Picked me up from sin and shame  
Your breath gives me new life

## PRE-CHORUS

Where can I go from Your presence  
Under Your wings I take refuge  
Your spirit lives within my heart  
I know we'll never be apart

## CHORUS

Every day  
I draw closer to You Lord  
I long to see Your face  
And hide in Your embrace  
All my life  
Dwelling in Your holy place  
My heart O Lord, You've changed  
I'll never be the same  
I'll never be the same
