

REMEMBER US

Words & Music by Teo Poh Heng

CITYWORSHIP

@cityworshipsg

VERSE

There's a longing in our hearts
To build Your Church O Lord
We gather all we have
And do what we can
There's a vision in our hearts
To see the harvest Lord
United hand in hand
We want revival in the land

CHORUS

Remember us, as we give to You
Remember us, we sacrifice to You
Remember us, Holy One ever true
A memorial prayer, we offer unto You
