## VERSE 1

You call me as Your own  
You take me into Your light  
And I keep on running, running back to  
You

## TAG

And I know You're holding me  
And You'll never let me go

## VERSE 2

You'll never ever forsake me  
Like an ocean, You're drawing me  
Into your love, I'm running back to You

## PRE-CHORUS

And I know You're holding me  
And You'll never let me go  
So I lift my praise  
And glorify Your name

## CHORUS

Jesus, Jesus  
Yours is the name that I call out, call out  
Whenever I feel like I'm falling  
Your hands will lift me out

## BRIDGE

Woah here I come  
Running back to You  
Running back to You
