VERSE 1

Here I stand before You
My all placed in Your hands
With everything I treasure
I bring an offering

PRE CHORUS / TAG

Take it all
Take it all

VERSE 2

Make my life so worthy
Make my heart so pure
All that You have given me
I give all back to You

CHORUS

So take this broken heart
Take my weary soul
Everything I am I place it under Your
control
Take this life of mine
It's for Your kingdom's cause
Everything I am I call it Yours
(Everything I am is Yours)

BRIDGE

With hands raised high
I surrender all my life
With hands raised high to You
With hands raised high
Hear my one and only cry
Take all of me for all of You
