VERSE

What stretches from the east to west
What's higher than the heaven's height
What's deeper than the oceans wide
What's greater, what's greater

VERSE 2

What brightens up the darkest times
What softens all the wounded hearts
What covers, forgives the greatest sins
What's greater, what's greater

CHORUS

It is Your love
It is Your mercy
New every morning, unfailing
It is Your word
It is Your presence
Unfailing are You Lord
Jesus
