VERSE 1

The Savior's light of glory
Come and move within me
Found me in a sinner's grave
And raised me to the life You gave

You formed me in Your purpose
Called me Your reflection
A life to give, a life to live
For Your Kingdom
Reign, You reign

CHORUS

Oh God let it be known
All of my life to shine with Your light
Oh God let it be seen
When the fires burn, they see You in me

My King is living within
Nothing could harm me with You in me
Oh God let it be seen
When the oceans roar, they see You with
me

VERSE 2

You're faithful through the seasons
No matter my conditions
Greater is the one within
And He is found alive in me

Come and show Your glory
Let it flood within me
Use my hands and use my feet
To show Your Kingdom
Reign, You reign

BRIDGE

You called me out
You will defend me
You lift me up
You won't forsake me
