VERSE

Let me draw close to You
Let me draw near to You
I stand on the shores
Of Your great love

Jesus I long for more
Oh how I thirst for more
Lord lead me deep into Your love

CHORUS

Your love is a waterfall
It overflows, it crashes over me
It crashes over me
Your love is a waterfall
It overflows, it crashes over me
It crashes over me

BRIDGE

I'm stepping into Your love
I let it overwhelm me
Nothing's gonna keep me away
You're my only saving grace

TAG

I'd rather be drowning in Your love
Than to be drowning in this world
