Written by: Charissa Tan

Singers: Charissa Tan, Emma Ng

Verse

When I am happy Jesus
You are here with me
I know I'm loved by You
When I feel lonely Jesus
You are still with me
You tell me everything's ok

Chorus

Jesus
You are here with me every day
I want to know You more each day
I open up my heart to You
Here's my all
You are my everything

Bridge

Fill, fill my heart
Until I overflow in Your love
Take, take my heart
I surrender all to You
All to You
