VERSE 1

Your promises are true
Your Word You will fulfill
I release the fears and burdens of my soul

Renew my heart and strength
I'll rise with You again
You are here with me through all the highs and lows

CHORUS

I will wait upon You Lord
I will wait upon You Lord
I will wait upon You Lord
I am here for You

VERSE 2

You've been faithful, You've been true
You've been so so good
God, I rest upon the goodness of Your Word.

Holy Spirit, won't You come
You are so welcome
I am yearning for Your presence and Your love

BRIDGE

Be still, Be still
For I know that You are God
Be still, heart be still
I wait on You
