VERSE

You bore the waves of pain
To bring me waves of grace
Jesus You died for me
And now I live for You

You paid the price of sin
And now You take me in
Jesus You died for me
And now I live for You

CHORUS

You have saved me from every shame
You have raised me from darkness to light
You died for me
And now I live for You

Here I stand, I'm redeemed by Your love
Here I am, set free from above
You died for me
And now I live for You

TAG

Jesus You died for me
Jesus You died for me
Jesus You died for me
And now I live for You

BRIDGE

To the One who died for me
You took all my shame
To the One who bore my sin
Now I'm born again
Oh I live for You

To the One who fights my battles
You rule and You reign
To the One who rose in glory
All heaven proclaim
Oh I live for You
Jesus I live for You
