## VERSE 1

When the hard times come and I feel alone  
And my world comes crashing down  
I'm not left behind  
You are by my side  
What could separate us now?

## PRE-CHORUS

And I will not be shaken  
I will not be moved

## CHORUS

You have overcome  
You are strong enough  
You are greater  
Nothing can stand in Your way

We are rising up  
You are here with us  
You are greater  
Nothing can stand in Your way

## VERSE 2

Let our faith arise  
As we lift our cry  
We'll see lost souls coming home  
Let Your glory fall and our hearts restored  
As we sing our victory song

## BRIDGE

There are no limits  
There are no boundaries  
There is no end to the promise of God

We will see increase  
We will see harvest  
There is no end to the greatness of God
