VERSE

Every time I hear Your voice
I come running back to You
My Saviour, my Messiah
My Jesus, my friend

CHORUS

And so I sing
Oh how I love You
I'm found in Your love
You're more than enough
Every day You make me whole
My heart it sings
How I adore You
All of my days
I give You my praise
I hold nothing back from You

TAG

The King of kings is my best friend
Oh King of kings You're my best friend
