

VERSE 1

As I lay at Your feet, all of my dreams
Without you, I'm incomplete
When I hear Your voice, I abandon all
Just to follow You, follow Your call

PRE-CHORUS

Leaving all behind
You're all that I desire

CHORUS

Jesus I, surrender all to You
I give my life, to worship You
Your presence fills this place
Surround me with Your grace
You are all I seek, everything I need

Jesus I, surrender all to you
I give my heart, I rely on You
Your love has set me free
Guide me through eternity
You are all I seek, everything I need

VERSE 2

With my life in Your hands, all that I am
Without You, I am weak
When I feel overwhelmed, You are my hope
Praising You my King, with every breath I sing

BRIDGE

One life I live, One life I give
All to You, I'll hold nothing back

TAG

I will give it all again
I will give it all again
I will give it all again, for You
