

VERSE 1

Sometimes it's hard to trust
When things are not so clear
Sometimes it's tough to love
When my heart is overwhelmed

When the sea is rough
And waves are crashing in
But still I know You're here
I give You all my fears

CHORUS

Take me deep into the waters
I want to go deeper, deeper in You
Deeper in Your love
Hold my hand, even if I tremble
Cause I still want to go
Go deeper with You

VERSE 2

You are my anchor
The One who holds my life
When my feet wander
You keep me by Your side

You are my Jesus
The One who never left
I know You're standing here
And I come running back
