VERSE 1

You are wonderful
beautiful, too marvellous for words
You've drawn me close
And won my heart
I will live for You

VERSE 2

You have called me near
Into Your courts
To stay forevermore
I'll say yes to You with all I am
Over and over again

CHORUS

O my soul it longs for more of You
My heart yearns for You alone
Jesus come, come and hold my hand
You're the one that I love, the one that I need.

I'm lost without Your presence Lord
Won't You come and touch me once more
Here's my heart, Here's my life
For You alone

BRIDGE

Your love falls down
Your love falls down
Love fall down on me
