VERSE

You know me Lord
All of my life is Yours
I lay my love at Your feet
My friend and my King
Your voice, it stills my heart

BRIDGE

Lord I give You my heart
Where can I go, from Your presence
Lord I surrender my all
Just to be here, to be with You
(To be with You)

PRE-CHORUS

You're the One, Who holds my hand
You're the One, Who walks beside me
You gave it all, to draw me close

CHORUS

Here I am, standing in Your sanctuary
With outstretched hands,
drinking in Your glory
Where Your love overwhelms
and joy overflows
Here's all of me, take all of me

Here I am, dwelling in our secret place
All my days, I long to see Your face
As the world fades away
Our hearts in embrace
It's You, all I want is You
Oh to be with You
